LITTLE LAMBS

Dear Parent or Leader:

The Little Lamb program just became an official branch of the North American Division. It was originally a Florida Conference program and all supplies can be found through the youth department of that Conference.

Web side: www.floridapathfinders.com or phone # 407-664-5000 ext 127.

The Little Lamb Child will have difficult time coping with all aspects of the total club setting. Therefore it is best if the program is treated as a parent-child partnership. In the club setting the Little Lamb child will gain much in the interaction with other children, The Little Lamb program is non-competitive by nature.

The Little Lamb should be recognized for his/her work and be invested along with the Adventurer Club.

NOAH'S ARK

Based on Genesis 6:1-9:17

God looked down upon the earth and was very angry. He saw evil people doing wicked things. These people didn't love God or care about Him. So God decided to destroy everyone . . . everyone but Noah and his family.

God said to Noah, "I am sad that all the people on earth have become so wicked. They are not sorry for their sins. I will wipe everything from the face of the earth—people, animals, creatures that move along the ground, and birds of the air. For I am sorry I made them."

God told Noah that He was going to send a flood that would destroy the whole world. Noah was to follow instructions and build a boat large enough to hold all his family, two of every animal, and food enough for all of them.

Each day Noah and his family hammered away, putting the boat together. The neighbors laughed and teased as they watched Noah working hard. But Noah and his family didn't listen. Imagine what the neighbors thought as they saw two of each kind of animal being loaded onto the enormous boat!

Finally everything was completed. The animals were on the ark, Noah's family was on the ark, and there was enough food for all of them. The rain began to fall as God closed the door on the huge boat.

The neighbors' laughter turned to fear as they watched the rain continue to fall. It rained and rained and rained. The water in the lakes and streams began overflowing. For forty days and nights the water crept up on the mountains until there was no dry land left. The world and all the people on it were destroyed. But Noah and his family were safe and dry inside the boat. They floated in the water for 150 days. Then God sent a wind, and the waters began to go down.

Noah sent a raven out of the ark but it did not return. Then he sent out a dove. The dove came back, for it could find no dry place to land. Again, Noah sent out the dove. This time it came back with a fresh olive leaf in its beak. Noah knew the water was going down.

At last God told Noah to come out of the ark with his family and animals. The first thing Noah did was build an altar and bring an offering to thank the Lord.

God promised Noah, "Never again will I destroy the earth with a flood." God put a beautiful rainbow in the sky as a sign of His promise.

Jonah disobeyed
God.

He was sucked alive into the stomach
of a giant fish. For three days and
nights he prayed. He asked God
to forgive him and save him.

Then suddenly God made the fish
throw up Jonah onto a dry beach.

Prayers

With your mom or instructor's help:

- Put together a book of people to pray for each day.
- Say two prayers by memory.
- Say grace for meals for one week.
- Read a Bible story on prayer.
- Memorize and repeat The Lord's Prayer.

The way Jesus wants us to pray

Jesus gave his disciples a short prayer as an example of how they should pray. It's called "**The Lord's Prayer**".

"When you pray", Jesus said, "say **Our Father in heaven**". Jesus was telling us that we can speak to God as you speak to a loving dad. God's children want their Father's name to be honored and kept holy. So Jesus told us to pray, "**Hallowed be Your name**". Jesus wants God to rule all people with His love. He wants the whole world to have life with God. That's why He asks us to pray: "**Your kingdom come**". The next example Jesus gave was, "**Your will be done on earth as it is in heaven**". People who really love God want to do His will. They also want His will to be done on earth the way it is done by His angels in heaven.

Then Jesus gave some examples of other prayers. By praying "**Give us this day our daily bread**". We ask God for whatever we need each day.

"**Forgive us our debts, as we also have forgiven our debtors**". When we forgive what others do to us, we show we believe that God forgives us too.

Finally, Jesus told us to say, "**And lead us not into temptation, but deliver us from evil**". We know that the evil one tempts people. Sometimes God lets him do it to test our love and make it stronger for Him. But in this last petition or request of His model prayer we ask God to save us from the devil's temptations, for we know that God is all powerful. "**For thine is the kingdom, and the power and the glory forever. Amen**".

Some people think it does them some good just to say the words of **The Lord's Prayer**. We should speak to Him as to our parent or as to our best friend. We can tell Him everything. We often say **The Lord's Prayer** because it is a perfect prayer.

Another way to say the Lord's Prayer is:

Our Father, in heaven, You are holy and good. May your kingdom come. Help us to obey You like the angels do. Please give us the food we need for each day. Forgive us and help us to forgive others. When we are tempted, help us not to sin. Yours is the kingdom and the power and the glory forever. Amen.

THE LORD'S PRAYER

Our Father which art in heaven,
Hallowed be thy name. Thy kingdom come. Thy will
be done, on earth as it is in heaven.

Give us this day our daily bread.

And forgive us our debts, as we forgive our
debtors. And lead us not into temptation; but
deliver us from evil.

For thine is the kingdom, and the power and the
glory forever. Amen
